1. Click on File -> Make a copy

Include your IPO Chart with your code in Eclipse IDE: We will discuss and demonstrate this in the computer lab.

IPO CHART

| Program name: | average grade | |
|---|--|--|
| INPUT | PROCESS | OUTPUT |
| Hint: What will the user input? | Hint: What is the program going to do with the input information? | Hint: What will the screen display after user input? |
| The user still need to input 5 different grades | The program is going to get the sum of it, and then divide by 500. And use the number format to get the percent of the grades. | The program will output the percent of the grades user input in. |
